My first Flower Comic!
Thank you very much! Really~~~!
The "S and M' here means that as well (of course). but it's also the S S and M M from Satou Sawako and Mamiya Mamoru (Laughs) I wanted to draw two extreme opposites
Their bonus manga actually fits in between the pages of their story. Right between pages 5 and 6... If you keep that in mind while you read it, it's even more fun! ...Or I think so... Anyway, it probably isn't fun... So maybe... well...

● JITTERBUG ●
I liked drawing the oldest brother. The friend who came to help me out did, too. We liked the older brothers. Wait a sec. Did I maybe pick the wrong guy to be the hero?
oldest brother
Sorry, Takiwa!

● MY DEAR CAT ●
I'm going to say it when you enter somebody's house, take your shoes OFF! There's stray cat poop in the garden of my house, and it's always giving me grief. (— Why am I talking about this?)

■ BET!! ●

This was the first story of mine to run in Cheese! I wanted to let these two friends Saeki's show up more. Gambling's fun, if you do it in moderation.

If you write and tell me what you thought about this manga, I will absolutely cry with joy.

I personally like this one, although I'm not quite sure why I'm pretty fond of eccentrics. I really wanted to make him more of a weird, otaku-type guy. Ya hear that, Hasegawa?!
